

2 Peter 3:18, Philipians 3:14

I. Looking back

What positive things happened to you in 2018?
(Note: "you" can be you individually or your family)

What difficult things happened in 2018?

What unexpected things in addition to the above?

What did you learn about God? Yourself? Others?

In what capacity did you use your spiritual gifts last year?

II. Looking forward

"Expect the unexpected." (which is a nonsensical statement – if you expect the unexpected then it isn't unexpected). However, we can pray big! What are you praying for in 2019 that can't happen (as far as you know) without God doing something unusual and/or "big"?

What will you do this year to learn more about God?

In what capacity will you use your spiritual gifts?

What two people will you ask God to provide opportunities to share the gospel? (You can list more than two!!!)

What would you like to see God do in and through you this year?
