## THE BODYBUILDER

### To Be Continued...

I remember as a child being very disappointed when I watched a TV show and those three dreaded words appeared at the end, "To Be Continued..." Of course the writers always put it in the part of a show that leaves you hanging and wondering what is going to happen next, enticing you to come back and watch. The intentional placement of those words let you know the best was yet to come.

In the life of a church we are in a constant "to be continued" state. From month to month there are changes that define and shape who we are. Five years ago we weren't having conversations about a new high school nor were we eagerly awaiting the permanent arrival of our new pastor. Likewise, we don't know what tomorrow will bring but we can be sure that God has some exciting things in store for us.

The stage is set for an exciting summer and fall. How will it play out for us? We don't know. How will our own lives be changed, let alone the lives of those in our community? It's up to us. God is ready to use us in a way we have never imagined. Getting plugged into ministry and allowing God to mold us now, will better equip us for the future. We each have a unique role to play, a role that entices others to see how BBC will continue in the *next steps* in reaching Burleson for Christ.

*"Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms. If anyone speaks, he should do it as one speaking the very words of God. If anyone serves, he should do it with the strength God provides, so that in all things God may be praised through Jesus Christ. To Him be the glory and the power for ever and ever. Amen."*
