

-
- I. Our Problem
 - a. Sin lives in each of us
 - b. Sin contradicts the law
 - II. Our Battle
 - a. Recognize the enemy
 - b. The battlefield is within
 - III. Our Victory
 - a. Our rescue is certain
 - b. A fight for life

Questions for personal reflection or group discussion:

How is the law spiritual?

How is it that sin can still live in someone who belongs to Jesus?

How does being "spiritual" differ from being "holy, righteous, and good"?

Why is it I do not feel the struggle as much as Paul does?
