

## THE BODYBUILDER

*Our vision is to be a community of grace,  
telling the unsaved of salvation by grace,  
encouraging the saved to live and grow in grace,  
and extending grace to others.*

### In Need Of Rescue

Last month, our second grandchild was born. Little Bethany Alison came into the world a little earlier than expected. She wasn't quite ready to go home when she was born, so she stayed in the NICU for two weeks. At the time, mom and dad were nervous, and rightfully so. I imagine it's incredibly difficult to leave your newborn baby in a hospital every night. She was on oxygen for a time, but the biggest obstacle was that she needed to be able to eat on her own. She eventually reached her goal and they took her home. As difficult as their situation was, the situation could have been so much worse. The baby next to her in the NICU nursery weighed just over one pound, and compared to Bethany's five pounds, her situation was more intense.

Throughout life, we all find ourselves in various needs of rescue—rescue in regard to finances, jobs, relationships, physical suffering, etc. While our circumstances vary, the need is the same. There is, however, one area of rescue we do all share in common and that's the rescue from death and hell. We, as believers, live in the comfort of knowing this truth and fully know the salvation made available for us. However, the world for the most part, does not yet know.

My challenge for us in this season of Easter is two-fold. Does your life reflect a Christ-change, and even more importantly, with whom have you shared the gospel? I know this is hard—thus it being a challenge, but it is something we should all take seriously, follow through, and do.

We have an amazing celebration coming up on Easter Sunday. How much more amazing would it be if those who don't know Jesus were able to celebrate with us? Let's make it happen!

He is Risen. He is Risen indeed!
