

Abundant Life Insurance Policy

“...those who live to please the Spirit will harvest everlasting life from the Spirit. So let’s not get tired of doing what is good. At just the right time we will reap a harvest of blessing if we don’t give up.” Galatians 6:8b-9 NLT

So, my wife provides the medical insurance for our family through her work. It is a blessing because without it, we'd be left on our own to find insurance, and you know how expensive a policy can be if purchased independently. (Calm down all the medical sharing folks, we know you're there!)

So, each year we have to renew and decide the type of coverage we want. Do we choose limited coverage because we are relatively healthy? Or, do we choose something beefier because we are aging and can feel the problems coming on?

In recent years we have elected for life insurance, realizing that without it, we could leave our loved ones high and dry, so-to-speak, thus strapping them with outstanding medical costs, etc. So, we invest now for a better future.

But what about life now? Is there a life insurance policy that would provide benefits for us here and now, thus ensuring a return on our investment? An Abundant Life Insurance Policy? Yes, there is. God told us in Galatians 6:8b-9,

“...those who live to please the Spirit will harvest everlasting life from the Spirit. So, let’s not get tired of doing what is good. At just the right time we will reap a harvest of blessing if we don’t give up.”

In other words, those who invest in their spiritual life now, reap an abundant life now. That is the “everlasting life” that is in view here in this passage. Jesus said that He came that we might have life, and have it more abundantly.

But here’s the catch: we have to invest now, while we have time. Once our time on earth is over, so is our opportunity to invest in this “Abundant Life Insurance Policy.” This policy pays dividends both now and in the future. So, not only do we need to invest today, we must to continue to invest in all our tomorrows. This is the policy with one stipulation: Don’t give up!

The older I get the more tired I become. The more golf I want to play and more vacations I want to take. But, may God give me grace to never retire from sowing to the Spirit, to never lose heart and give up, because I want to reap a harvest both now and in eternity. How about you? Are you tired? Weary? Checked out? Retired? Do not lose heart. Do not faint.
